

# Protocol for Referral of Non-urgent Facial Fractures

Direct outpatient referrals to Sunnybrook Plastic Surgery from NYGH ED should be made for non-urgent:

- zygomatic fractures
- orbital fractures
- maxillary fractures
- mandibular fractures

Direct referrals to Sunnybrook Plastic Surgery from NYGH ED for any other conditions or for facial fractures requiring urgent assessment or management will not be accepted

Referrals faxed to the number below will be seen within 2 weeks

Patients requiring more urgent assessment should be discussed directly with the NYGH Plastic Surgeon on-call. **(DO NOT CONTACT SUNNYBROOK ON-CALL)**

**Fax referral to Sunnybrook Plastic Surgery: (416) 480-4950**

Provide patient with Facial Fracture Referral Information Sheet
